Speaking Test – Unit 10

TASK 1

Now let's talk about your future house. Are you ready?

1. Where will your house be in the future?
2. What might it look like?
3. What do you want to have in your house?
4. Will you have a robot in your future house? Why/Why not?

TASK 2

Look at the following pair of cards. On one card there is some information and on the other card there are clues for five questions. You should use the clues to make questions and ask your friend. Your friend will answer the questions based on the information he/she has. You will have 30 seconds to prepare.
