Some numbers are more than other numbers. Some numbers are less than other numbers. What's the difference?

The group of grapes is more than
the group of raisins.

More →

Less →

The group of balls is less than the group of jacks.

More →

Less →

Which group of vegetables has more than the other?

There are more carrots than peas.
Six is more than four.

Which group of pencils has more than the other?

There are more blue pencils than red pencils. Four is more than three.

Which group has fewer blocks?

There are fewer green blocks than red blocks. Two is less than five.

Which group has fewer pieces
of candy?

There are fewer pieces of chocolate.
Six is less than eight.

Index

balls	6	fewer	16, 18, 20, 22	peas	10
blocks	16, 18	grapes	4	pencils	12, 14
candy	20	jacks	6	raisins	4
carrots	10	less than	3, 6, 18, 22	vegetables	8
chocolate	22	more than	3, 4, 8, 10, 12, 14

About the Author

Joanne Mattern has written more than 300 books. She lives in New York State with her husband, four children, and an assortment of pets that includes less than 4 cats, more than 1 gecko, more than 1 fish, and less than 2 turtles.

Rourke's newest addition to our Concepts series introduces the youngest children to key math concepts. The text uses repetition and simple sentence structure to keep the pages turning. The images and text work together to support the emergent reader.

Books In This Series Include:

Left or Right?

More Than, Less Than

Even or Odd?

Half or Whole?

Plus 1, Minus 1

Can You Guess?

What Is an Attribute?

Is It Symmetrical?
