*Read the following advertisement and mark the letter A, B, C or D on your answer sheet to indicate the option that best fits each of the numbered blanks from 1 to 6.*

As children grow, their lungs and brain are in a stage of development. This makes children especially vulnerable to the effects of air pollution. Children's immune systems are (1) \_\_\_\_ than adults, so they are susceptible to viruses, bacteria and other infections. This increases the risk of respiratory infections and reduces the child's resistance.

Air pollution not only causes short-term effects but also has long-term harmful (2) \_\_\_\_\_. Those effects may be irreversible. Air pollution can cause respiratory problems such as pneumonia, bronchitis and asthma. Air pollution can worsen underlying health problems and harm children's physical and cognitive development, (3) \_\_\_\_\_ can affect other aspects of their lives. For example, when a child is sick, he or she may have to temporarily leave school, which further limits his or her ability (4) \_\_\_\_\_. Furthermore, the effects that air pollution (5) \_\_\_\_\_ can last throughout a child's life. Adults exposed to air pollution (6) \_\_\_\_\_ an early age tend to experience respiratory problems later in life.

**Question 1:** A. weaken      B. weaker      C. weak      D. weakness

*Read the following leaflet and mark the letter A, B, C or D on your answer sheet to indicate the option that best fits each of the numbered blanks from 7 to 12.*

### **Cost savings - Benefits of using public transport**

For those who do not have personal means of transport, they will often use services such as motorbike taxis, taxis, ... but these are services with extremely (7) \_\_\_\_\_ costs, especially for students who have just come to the city to study. Why do we say that? Because we can only (8) \_\_\_\_\_ once for a single trip. If we use public transport such as buses, it will be much cheaper than taxi or motorbike taxi services.

Not only that, this public transport can also be registered for a month (9) \_\_\_\_\_ a day, you only need to pay them a monthly service fee and you can comfortably go to the places you want. You can save money by using public transport.

### **Protecting the environment when using public transport**

Currently, protecting the environment is a concern for all countries in the world, the (10) \_\_\_\_\_ of dust and smoke from motorbikes and factories is increasing, causing the ozone layer to be greatly depleted, leading to the greenhouse effect. Let's (11) \_\_\_\_\_ hands to protect the environment with the smallest things right now.

Public transport is one of the most environmentally friendly means of transport. Basically, if we choose to take a private taxi, we will emit and increase the amount of carbon from vehicle exhaust into the environment. (12) \_\_\_\_\_, why don't we try using green energy public transport such as buses and trains to minimize waste.

**Question 7:** A. suitable      B. convenient      C. expensive      D. comfortable

- Question 8: A. create      B. pay      C. lend      D. receive

**Read the following passage about endangered languages and mark the letter A, B, C or D on your answer sheet to indicate the best answer to each of the following questions from 23 to 30.**

Vietnamese cultural identity is a rich and intricate tapestry that reflects the nation's long and storied history. Rooted in over a thousand years of civilization, Vietnam's cultural identity is a fusion of

indigenous traditions and external influences, shaped by its geographical location and historical interactions.

First and foremost, at the heart of Vietnamese culture is a deep reverence for family and community. Confucian values emphasizing respect for elders, filial piety, and social **harmony** have played a pivotal role in shaping Vietnamese society. These values are reflected in the close-knit family structures, hierarchical relationships, and communal rituals that are integral to daily life.

Secondly, Vietnamese cuisine is celebrated worldwide for its exquisite flavors and **diversity**. With its emphasis on fresh ingredients, fragrant herbs, and balanced flavors, Vietnamese food tells a story of the country's agricultural heritage and regional variations. **Iconic dishes like pho, banh mi, and spring rolls have become global favorites, representing the culinary artistry deeply ingrained in Vietnamese culture.** Also, Vietnam's artistic expressions are equally captivating. Traditional art forms like water puppetry, silk painting, and folk music continue to thrive alongside contemporary artistic movements. Áo dài, a graceful traditional dress, exemplifies the fusion of elegance and modesty in Vietnamese fashion, symbolizing cultural pride and identity.

Today, in the face of modernization and globalization, Vietnamese cultural identity remains resilient. While adapting to the challenges of the 21st century, the Vietnamese people continue to honor their traditions, celebrate **their** unique cultural expressions, and pass on their heritage to future generations, ensuring that their cultural identity remains vibrant and enduring.

**Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the option that best fits each of the numbered blanks from 31 to 40.**

### **Being a Responsible Digital Citizen**

These days, digital technology is a major part of everyday life for all of us, and we use it for almost everything, from work to school and entertainment. Therefore, with everyone spending so much time connected to the Internet and using digital devices, it's important that we all understand how to be responsible digital citizens in the modern world. But what exactly does that mean?

A responsible digital citizen is someone who uses technology in a sensible way and encourages others to do the same. [I] They are careful about their online behaviour and always try to be as polite as possible, which helps others to avoid having negative experiences online. [II] Responsible digital citizens respect other people's privacy, too. [III] They don't **post** pictures of others or discuss people's personal lives without their permission because that could harm their online security. [IV] In this way, digital citizens help others to feel safer and more comfortable in the digital world.

Responsible digital citizens are also aware of the potential risks of being online. **They understand that there are fake websites and online scams which try to access people's personal information to hack into their social media accounts or even bank accounts.** When a digital citizen encounters one of these online scams, they should report it to the cyber police to stop this behaviour from happening. By doing this, digital citizens play an important role in making the Internet a safer place for all users. While many of us know how to use digital technology safely these days, we should remember that there are many other people who are still at risk. By being responsible digital citizens, we can help everyone gain the benefits of the digital world without putting themselves or others at risk.
