Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

Meliha and her children live in St. Paul. She is from Somalia and came to the US five years ago. Many things are different in America. You can buy junk food with lots of salt, sugar, and oil here. Americans don't walk as much as people in Somalia. Instead, you can drive a car or take the bus. Meliha notices that many people in America are **overweight**. Her children like junk food such as hamburgers and French fries, and she does too. She has noticed that she has gained weight since moving to America. Her children **prefer** watching TV rather than playing outside. Meliha doesn't walk very much because she has a car. Her doctor advises her to eat more fruits and vegetables. He also says that eating too much junk food like chips, fries, and sugary snacks is bad for her health and that she needs to get more exercise.

Everyone wants to be healthy. People see doctors. They take pills to stay healthy. However, plants have been used to heal for thousands of years. More and more people are trying herbs to stay healthy. Plants used to heal are called "herbal medicine". There are many plants used in herbal medicine. Each plant is used in a certain way. Herbal medicine works more slowly than most pills. Many people think plants are **gentle** on the body. There are a lot of examples of helpful plants. Ginger can help your body. Eating ginger often may help you stay healthy. Another helpful plant is parsley. It can stop bad breath. Herbs may be gentler than some pills. However, this does not mean that anyone can take them in any way. You should always be careful. Some herbs can be **harmful**, too. Too much rosemary can be very bad for your stomach. It can make you sick. Foxglove is a very pretty flower. It also has poison in it. Nevertheless, if you are afraid of using herbs, you may be surprised.

You have probably already used some kind of herbal medicine. Coffee, garlic, ginseng, and peppermint are all used in herbal medicine. Herbal medicine is becoming popular again, as people become more interested in their health.
