Healthy Eating

Eating a balanced diet is essential for maintaining good health and well-being. A balanced diet includes a variety of foods that provide the nutrients our bodies need to function properly. These nutrients include carbohydrates, proteins, fats, vitamins, and minerals.

Carbohydrates are the body's main source of energy. Foods like bread, rice, and pasta are rich in carbohydrates. Proteins are necessary for the growth and repair of body tissues. They can be found in foods such as meat, eggs, and beans. Fats, though often considered unhealthy, are important for storing energy and protecting our organs. Healthy fats can be found in nuts, seeds, and fish.

Vitamins and minerals are essential for various bodily functions. For example, vitamin C, found in fruits like oranges and strawberries, helps boost the immune system. Calcium, found in dairy products like milk and cheese, is vital for strong bones and teeth.

In addition to eating a variety of foods, it is also important to eat in moderation. Overeating can lead to obesity and other health problems, while undereating can result in malnutrition. Drinking plenty of water is also a key part of a healthy diet, as it helps keep the body hydrated and aids in digestion.

In conclusion, healthy eating is about finding a balance between different food groups and ensuring that you consume enough nutrients to keep your body strong and healthy. Making smart food choices every day can lead to long-term benefits for your overall health.

C. They store energy and protect organs. D. They increase body weight.

5. What vitamin is mentioned in the passage as helping to boost the immune system?

- A. Vitamin A. B. Vitamin B. C. Vitamin C. D. Vitamin D.

6. Which mineral is important for strong bones and teeth?

- A. Iron. B. Calcium. C. Zinc. D. Potassium.

7. What can overeating lead to according to the passage?

- A. Malnutrition. B. Obesity. C. Stronger muscles. D. Better hydration.

8. Why is drinking water important?

- A. It provides energy. B. It helps keep the body hydrated and aids in digestion.
C. It helps build muscles. D. It provides vitamins and minerals.

9. What does the passage suggest is key to healthy eating?

- A. Eating as much food as possible. B. Eating only one type of food.
C. Finding a balance between different food groups. D. Avoiding all fats and carbohydrates.

10. The word "moderation" in the passage is closest in meaning to:
