Task 2. Read the passage and choose the best answer. (1.25 points)

Every summer, a group of secondary school students helps at the River Festival in their hometown. This year, An worked at the information desk near the main bridge. He handed out maps and answered visitors' questions about local food stalls and craft displays. His friend Trang guided small groups to the traditional boat exhibition. The volunteers attended a training session one week before the festival so they knew how to help safely. The event lasted two days and attracted many families from nearby towns. An was tired at the end, but he was proud to contribute to his community. Next summer he hopes to help organise activities for children.
