Listen 1:

What do you think? TV good or bad? I loved it when I was a kid. My eyes were glued to the TV screen for hours. I watch cartoons and other children's shows non-stop. It was good at the time, but maybe I should have gone out and done something more productive. There's a lot of trash on TV. There are a lot of shows you watch just because you're too lazy to do something useful. A lot of people turn on the TV and sit in front of the screen all day or all night. What a waste of time! I think TV shows are getting worse. Reality TV and celebrity talk shows are the worst. The only good things on TV these days are news, live sports, and comedy. Plus an interesting documentary or two.
