Walt Disney was born in 1901 in Chicago, but soon moved to a small farm near Marceline, Missouri. From this rural and rather **humble** beginning he later became one of the most famous and beloved motion-picture producers in history. Although he died in 1966, his name and artistic legacy continue to influence the lives of millions of people throughout the world.

After several years of **barely making ends meet** as a cartoon artist operating from his Los Angeles garage, Disney had his first success in 1928, with his release of a Mickey Mouse cartoon. Throughout the next decade, he continued to produce a number of cartoons, and develop more of his highly profitable and **enduring** creations, such as Donald Duck and Pluto. In the late 1930s, he issued full-length cartoon films. Snow White became an instant commercial and critical success. This was only the first of many films, both animated and not, produced by Disney and his studio.

But as **renowned** as Disney name is for cartoons and movies, it is probably best known for a string of spectacular amusement and theme parks. Starting with California’s Disneyland in 1955 and culminating with the fantastically successful Disney World and EPCOT Center in Florida, Disney became a household name. In recent years, the theme park **concept** became international, with openings in Toyo and Paris. With the continuing success of Disney, the creations of future theme parks are under discussion.
