Read the following passage and then decide whether the statements that follow are True or False. (1pt)

Frank is now the head of a very large business company, but as a boy he used to work in a small shop. It was his job to repair bicycles and at the time he used to work fourteen hours a day. He saved money for years and in 1938, he bought a small workshop of his own. During the war Frank used to make spare parts for planes. At that time, he had two helpers. By the end of the war, the small workshop had become a large factory which employed seven hundred and twenty eight people. Frank smiled when he remembered his hard early years and the long road to success.
