**Todd:** Mike, I want to go to Canada for vacation. What would you recommend?

**Mike:** Well, it really depends on the kind of holiday that you want. If you want to have a relaxing outdoors, back to nature, I'd recommend Vancouver. If you want experience, a different type of culture, Montreal. And if you want to go to a big multi-cultural city with a lot of nightlife and things to do with respect to entertainment, or sports, then Toronto.

**Todd:** So, have you been to all three cities?

**Mike:** Yes. I actually have lived most of my life in Toronto and in Montreal but I have spent some time in Vancouver as well, so, all three are very different in attitude and lifestyle and in the way people live.

**Todd:** How so? How is somebody from Toronto different than somebody from Vancouver?

**Mike:** Well, somebody from Toronto is a little bit more high paced, just because the pace of life in Toronto is a little bit faster. Vancouver is a lot more relaxed, easy-going. And Montreal has a strong French-Canadian influence, so in fact, it's mostly French-Canadian.

## **II. Listen and choose the best answer A, B or C: ( Unit8 – skills 2)**

Online shopping is buying a product or service over the Internet. Online shopping is easy. You visit a seller's website, select the product you want to buy, and order it. You can pay online or when you get the product. Online shopping is convenient with Internet access. You can purchase anything at any time, from anywhere. It could be a meal, a gift for a friend, or even an English course. You can save the trouble of traveling time and money. However, shopping online has disadvantages too. Firstly, the products you receive are sometimes not exactly what you expect. Secondly, when you are not happy with the product, you can return it but you have to pay for the shipping. Thirdly, you can easily become a shopaholic because it is easy and there are many products to choose from, you may find it hard to stop yourself from over shopping. You may even buy things you don't really need.
