**Nick's holiday**

Nick went to a small school in town. On the last day of school, Nick's teacher said that they had homework. It was to take a funny holiday photo. The next day, Nick went with his family to the forest. They didn't go to the beach. They went there by minibus and then they walked into the forest. His mom cooked, and everyone said it was delicious. His mom showed him how to bake cookies. Nick wanted to bake some for his family. Just then, the wind blew strongly to the fire and the cookies were black because it was too hot. "Oh no! Now we have black cookies!" said Nick. The black cookies were yucky, but his family wanted to eat them. Their mouths were black too. Nick's dad took a photo of them with black mouths. "That's my homework photo!"
