thunder – without – tooth – theme – these – thinking – breathing – that

TRACK 14

Listen and then decide if the statements below are True or False.

Television first appeared some fifty years ago in the 1950s. It is one of the most popular sources of entertainment for both the old and the young. Television has cartoons for children, world news, music and many other programs for adults. If you like sports, you can choose the right sports channel. Television is also a very useful way for companies to advertise their products. It is easy for us to see why there is a TV set in almost every home today. Nowadays we have smart TV sets. We can do many other useful things rather than watch programs. During the time of quarantine time for preventing Covid-19 epidemic, television helped students with online learning. Television is a wonderful invention.
