Track 40

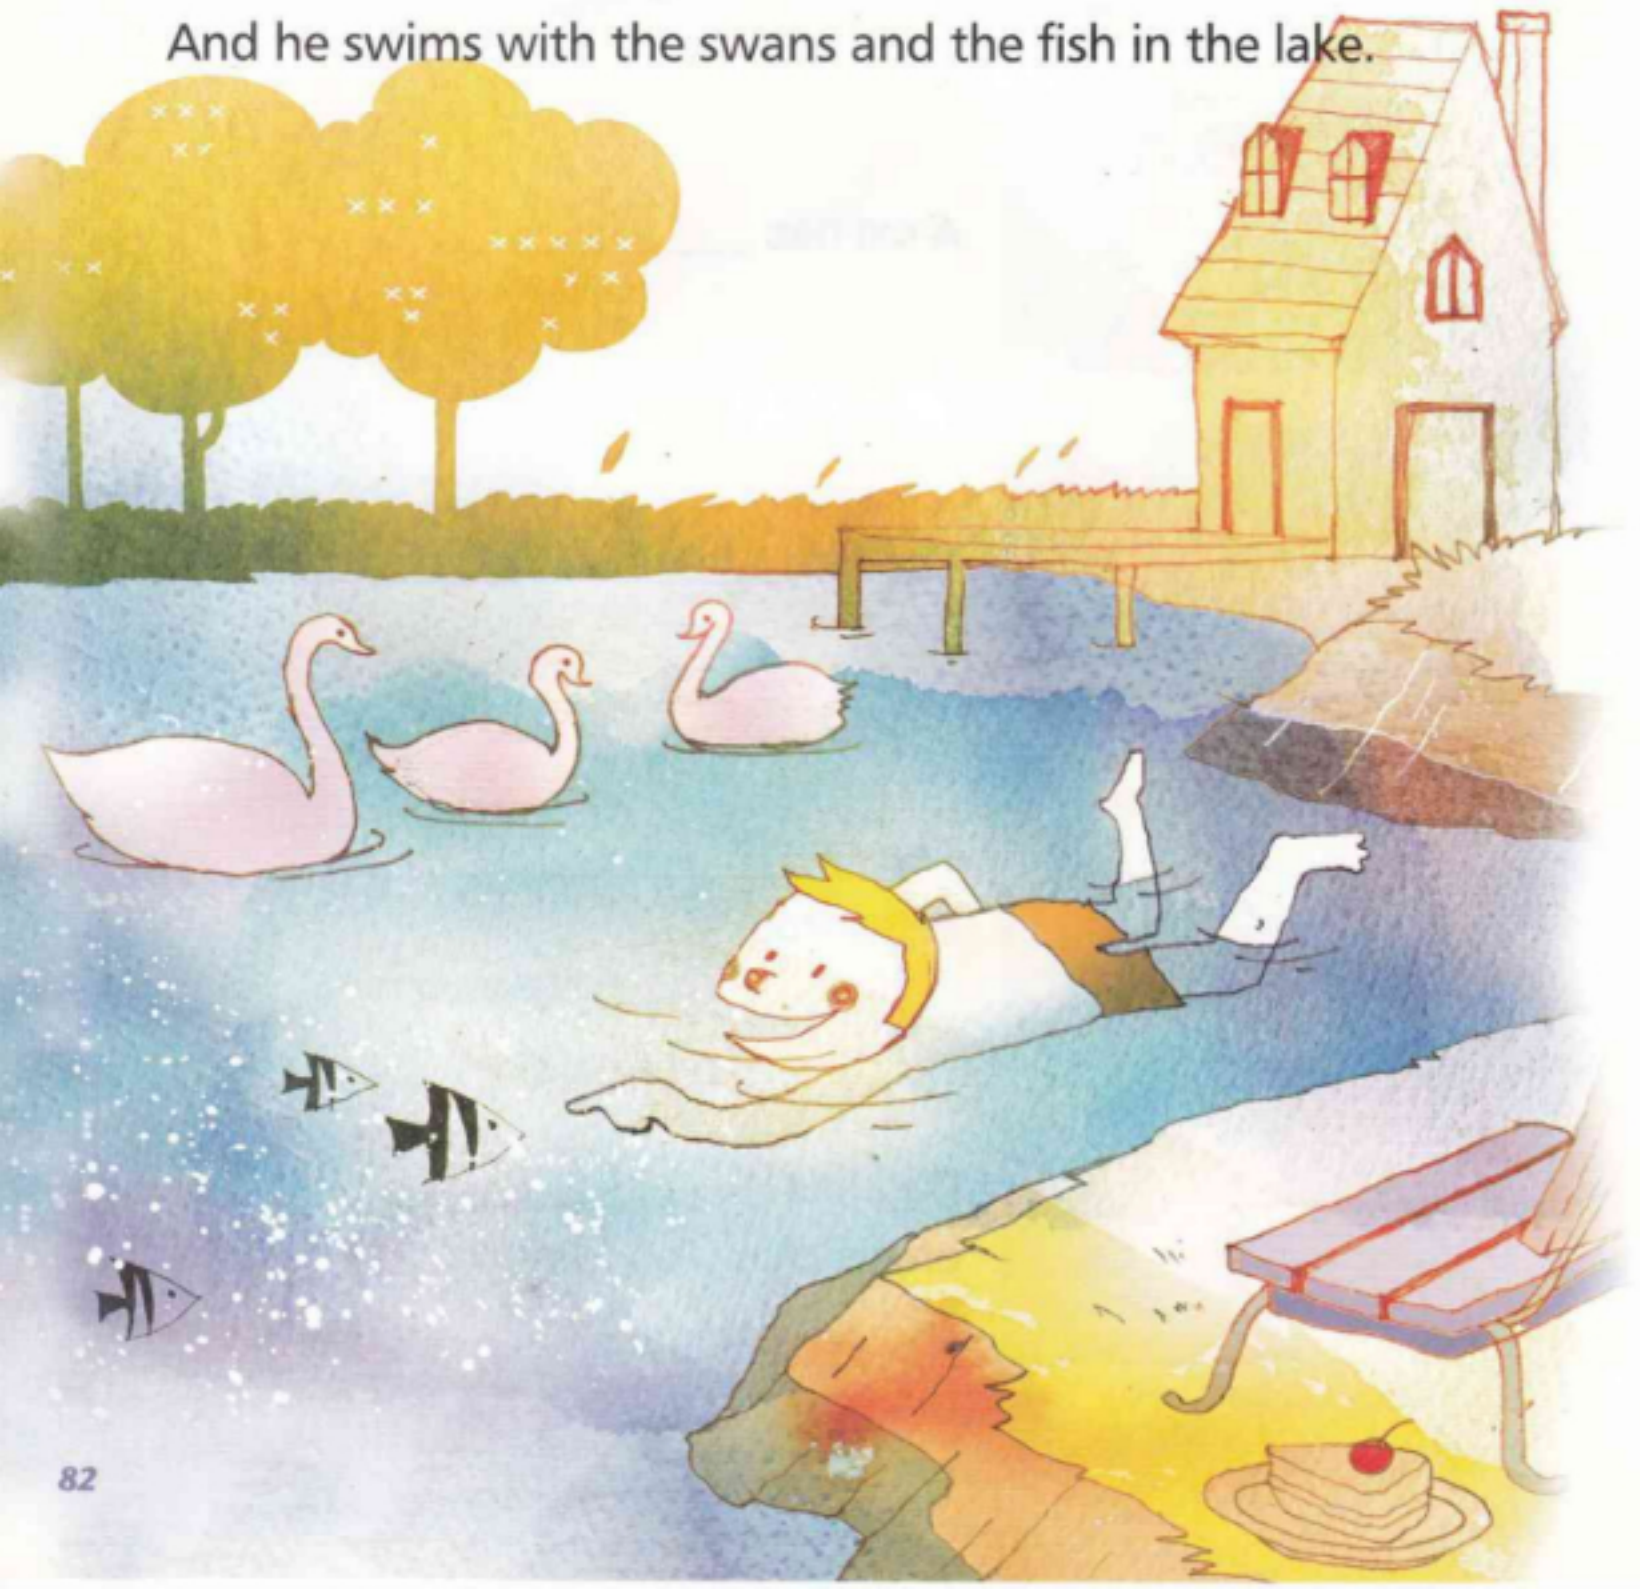

Frank's home is near the lake.

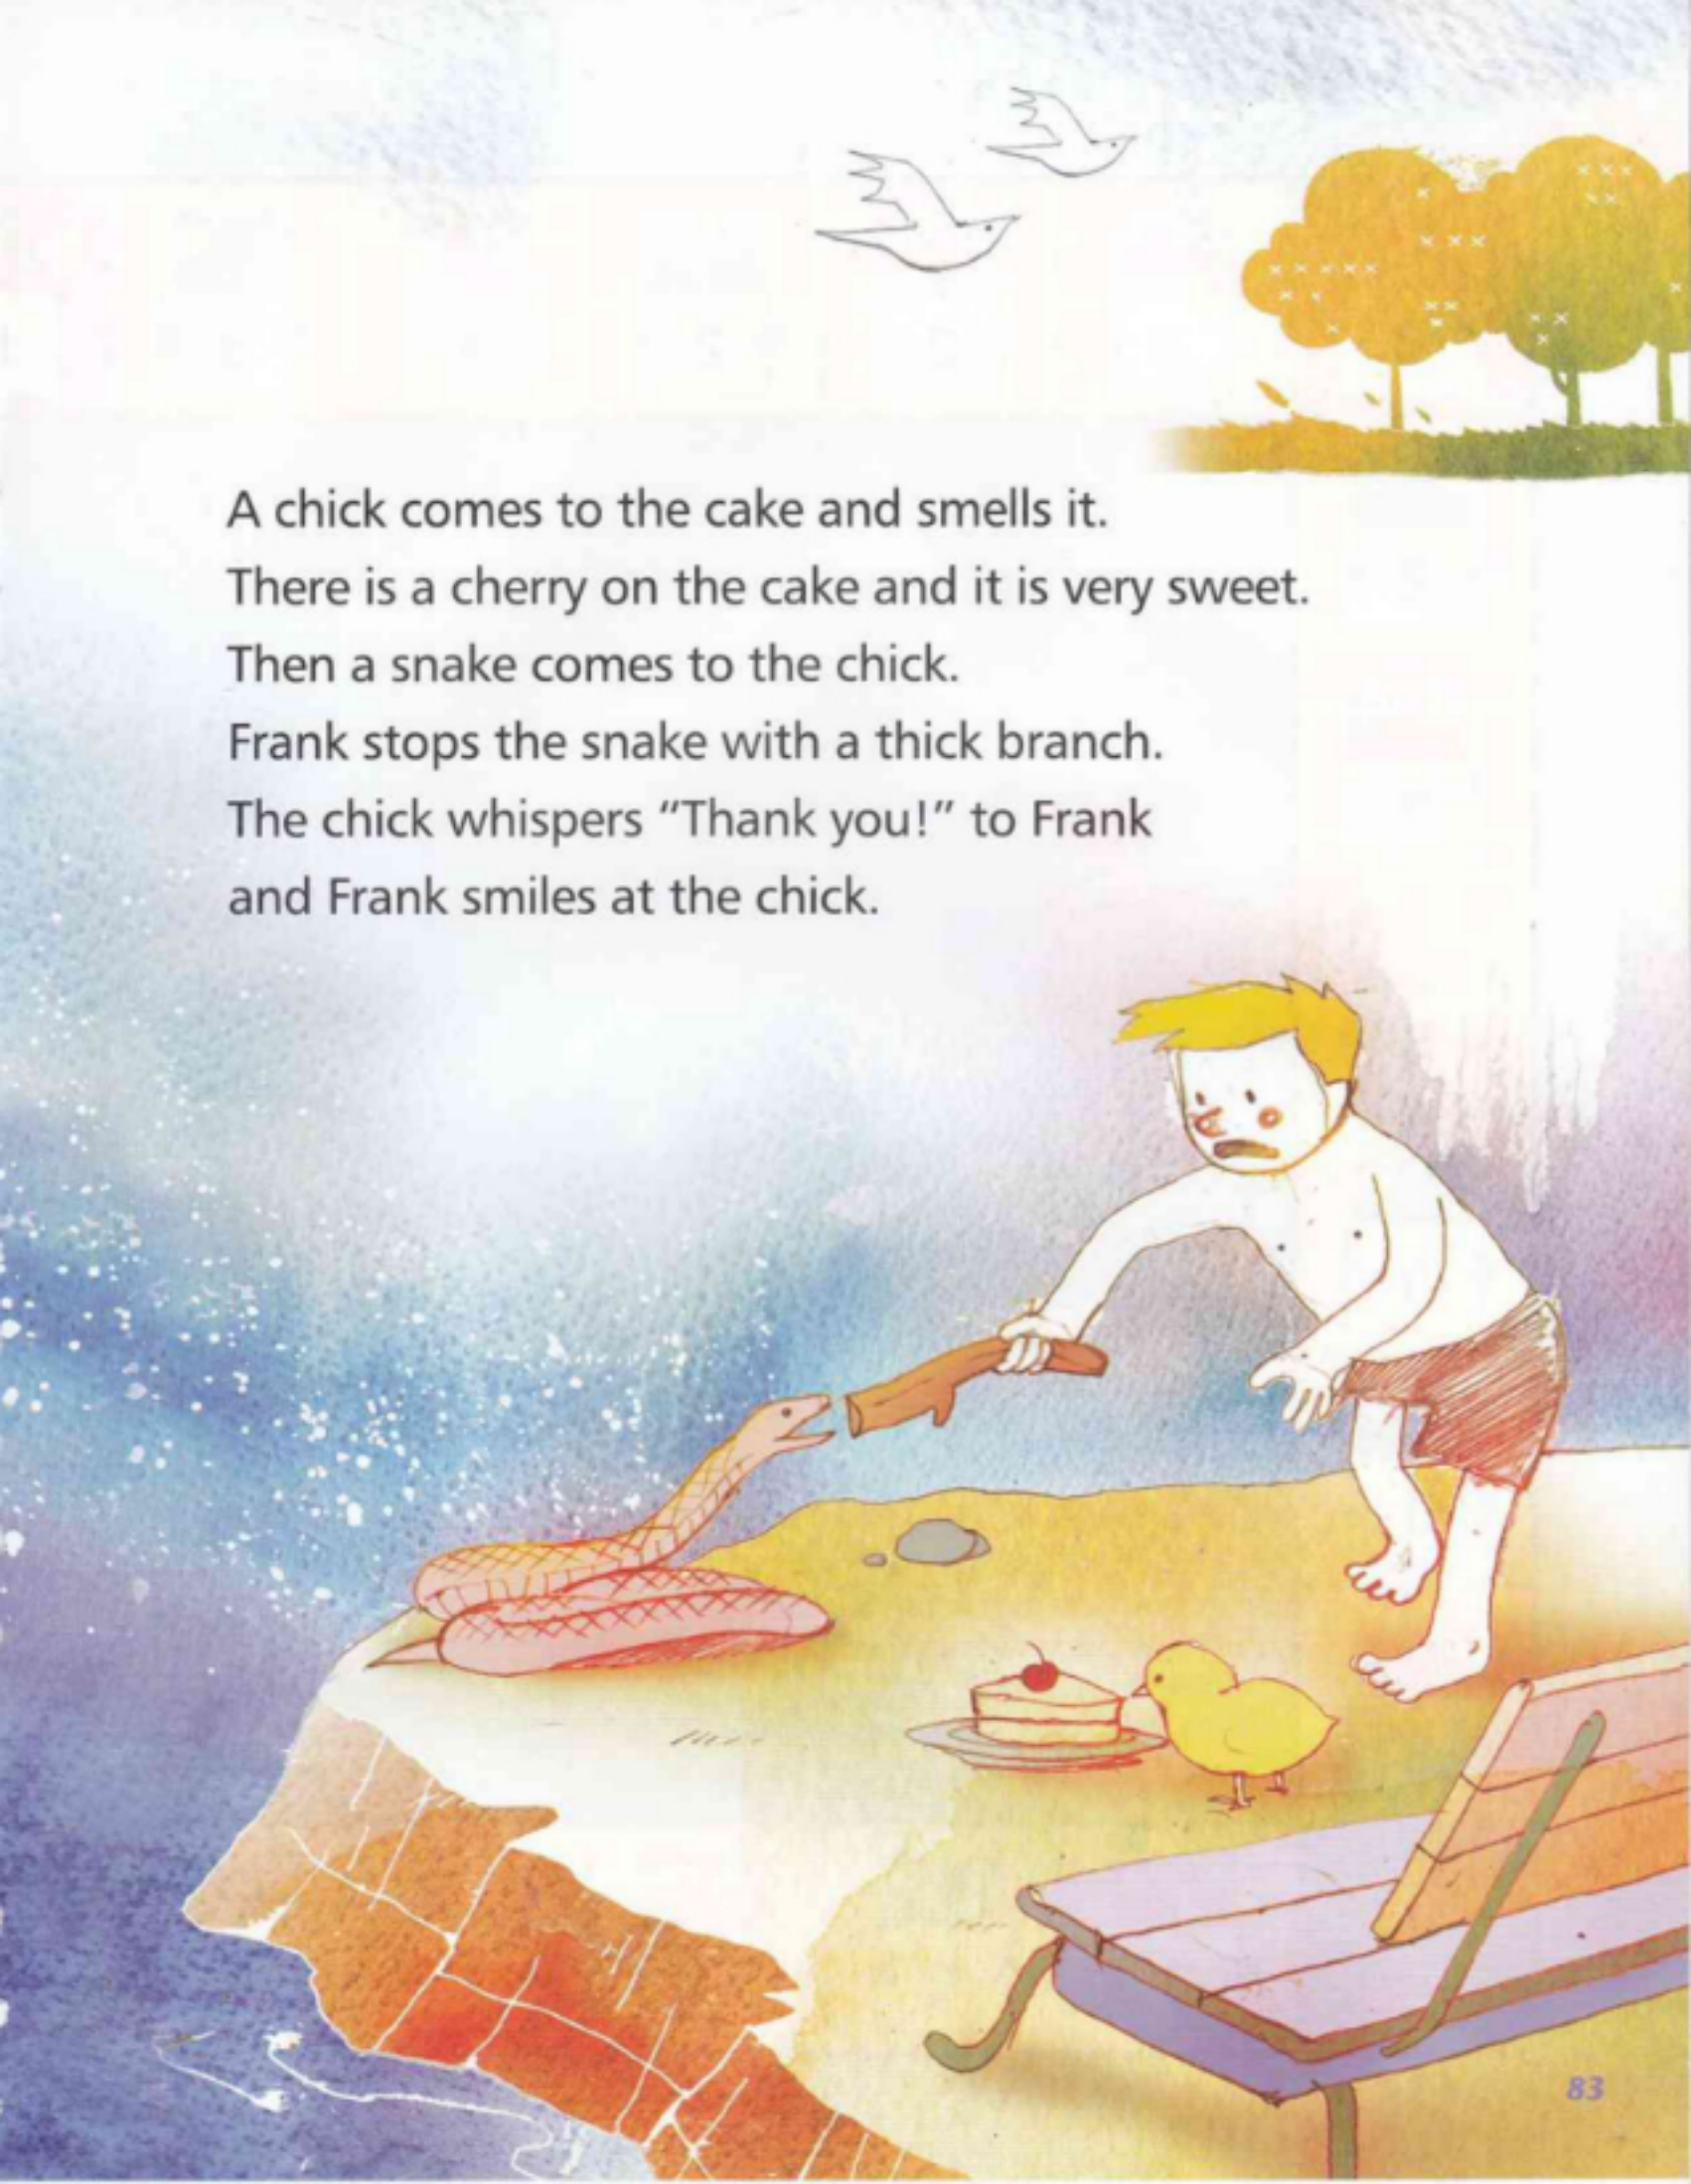

He goes out to the lake with a slice of cake for a snack.

There are some white swans and some fish in the lake.

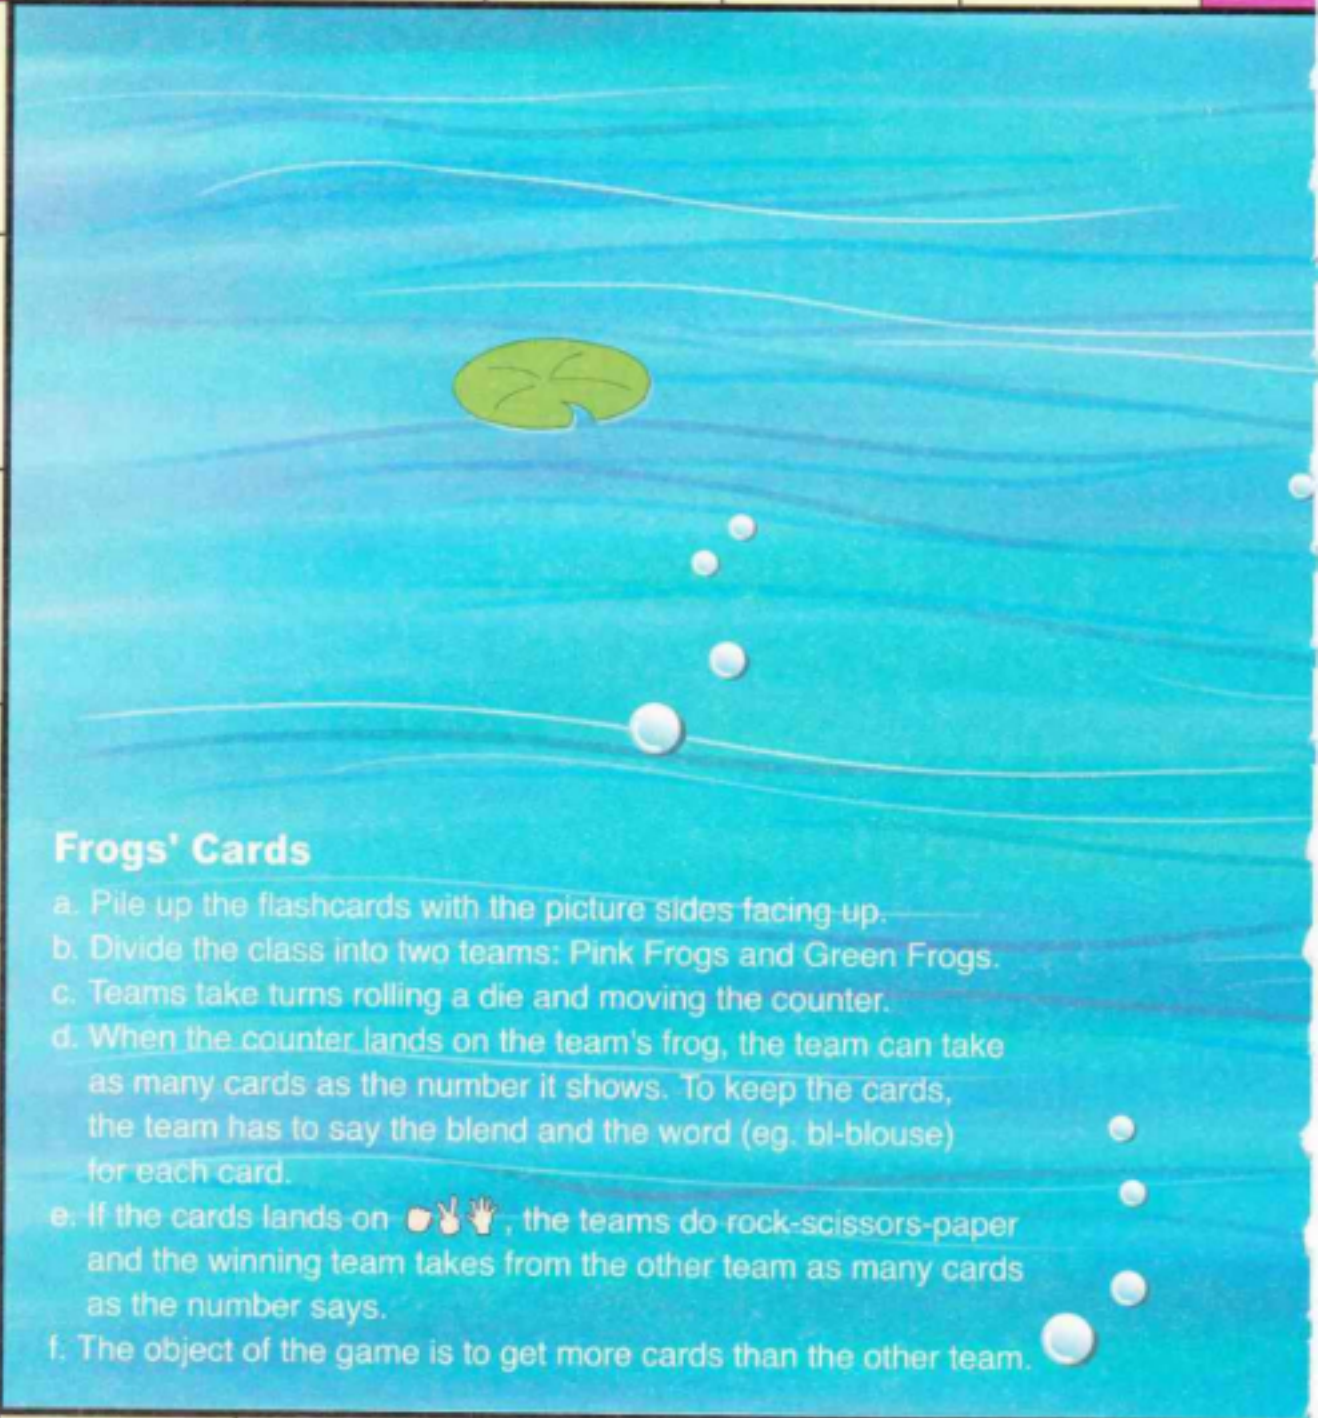

Frank puts the cake by the bench.

And he swims with the swans and the fish in the lake.

The illustration depicts a beach scene. In the foreground, a young boy with blonde hair and a worried expression is crouching on the sand. He is holding a thick, brown branch horizontally, with a snake's head and front body coiled around it. The snake is orange with a red cross-hatch pattern. To the right of the boy, a small yellow chick stands next to a slice of cake on a plate. The cake has white frosting and a single red cherry on top. In the background, there are two stylized trees with yellow and orange foliage, and two white birds are flying in the sky. The water is a deep blue with white foam from waves crashing against a rocky shore. The overall style is that of a children's book illustration, with soft colors and simple lines.

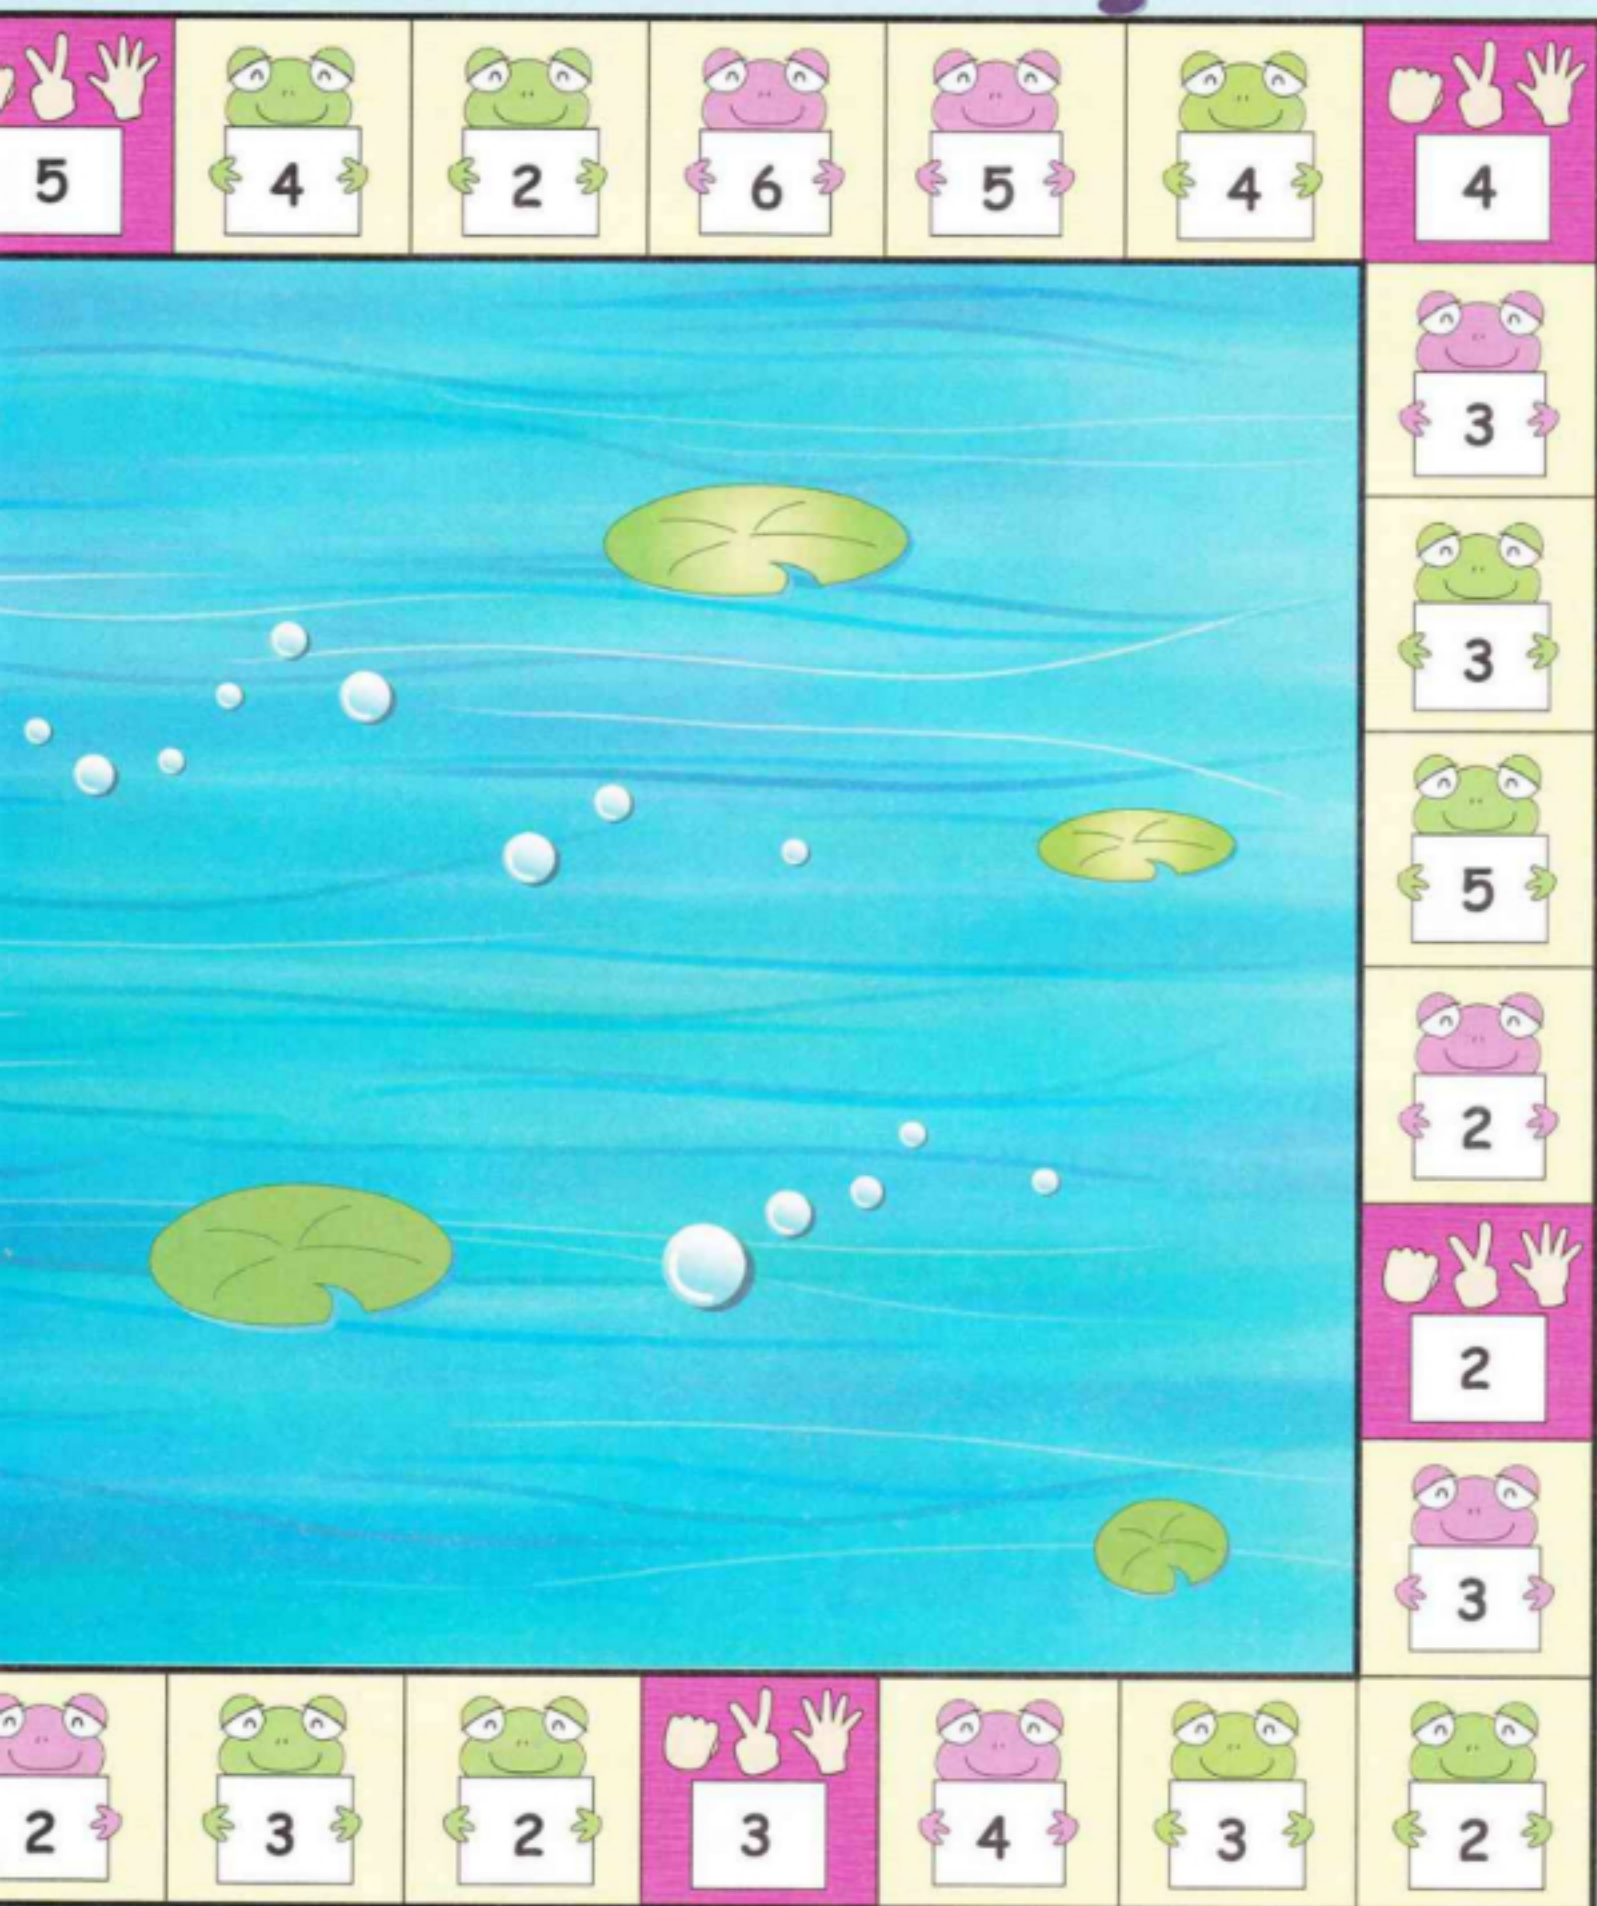

A chick comes to the cake and smells it.
There is a cherry on the cake and it is very sweet.
Then a snake comes to the chick.
Frank stops the snake with a thick branch.
The chick whispers "Thank you!" to Frank
and Frank smiles at the chick.

Frogs' Cards

- Pile up the flashcards with the picture sides facing up.
- Divide the class into two teams: Pink Frogs and Green Frogs.
- Teams take turns rolling a die and moving the counter.
- When the counter lands on the team's frog, the team can take as many cards as the number it shows. To keep the cards, the team has to say the blend and the word (eg. bl-blouse) for each card.
- If the cards lands on , the teams do rock-scissors-paper and the winning team takes from the other team as many cards as the number says.
- The object of the game is to get more cards than the other team.
