Listen 1:

Jack: So, what ingredients do we need for our cake, Millie?

Millie: Well, Jack, the first thing we need is flour.

Jack: How much flour do we need?

Millie: Let me check the recipe. Yes, we need 500 grams of flour. There's a 500 grams bag in the cupboard.

Jack: And we need eggs as well, don't we?

Millie: Yes, I just bought a carton of eggs and we need two. What about butter?

Jack: There's a stick of butter in the fridge.

Millie: Okay, we need to measure out 50grams of butter for this recipe. And we need some milk.

Jack: I already measured the milk into a glass 200 ML. It's on the table.

Millie: Okay, great. So what kind of cake are we going to make?

Jack: I saw some lemons in the fridge.

Millie: Okay, we'll make lemon cake then.

Listen 2:

My name is Megan. I don't eat meat but I eat fish, cheese and eggs. For breakfast, I usually have a glass of milk and some fruit. At lunch time, I have my packed lunch: a cheese sandwich, a yogurt and an orange juice. I don't eat school meals because I don't like them. When I get home from school, I usually have a snack: a packet of crisps or some fruit. For dinner, we often have fish with salad or pasta. My favorite meal is pizza; I sometimes go to a restaurant with my parents at the weekend. I love Italian foods but my parents prefer French foods. Sometimes, we have a pizza and sometimes we go to my parents' favorite restaurant. They always have steak and chips. It's difficult for me because I don't like meat, so I usually have salad. I think good food is very important. I eat fruit and vegetables every day. My best friend never eats salad or fruit. She prefers burgers and sausages.
