#### How to Talk to Your Children About Money In These Uncertain Times

In today's uncertain economic times, children may overhear discussions about financial stresses, such as inflation or layoffs. They may not fully understand, but they are keenly aware of the (9) \_\_\_\_\_ of anxiety in the household. It is important to (10) \_\_\_\_\_ money in a way that reduces the amount of stress and fosters quality (11) \_\_\_\_\_.

#### Tips for Talking to Your Children About Money

- ✧ Keep It Honest and Age-Appropriate
- ✧ Be open about financial concerns, but avoid overwhelming (12) \_\_\_\_\_ children with complex details. Use simple phrases like "We're being more careful with our money" to help them understand without causing anxiety.
- ✧ **Involve Them In Budgeting** Allow your children to take part in family budgeting tasks, such as planning meals or comparing prices. (13) \_\_\_\_\_ this hands-on approach, they will learn about managing money and the significance of saving.
- ✧ **Use Resources to Make Learning Fun** Introduce money-related (14) \_\_\_\_\_ through books or games. For example, stories like *A Bike Like Sergio's* or playing Monopoly can help children learn about income, spending, and saving in a way that's engaging and easy to understand. Conversations about money should be ongoing and not just about the current crisis. Empower your children with knowledge and they will grow up to make sound financial decisions.

**Guide to Conserving Energy at Home**

*Conserving energy helps protect the environment and reduce your household bills.*

Simple daily habits can make a substantial difference in your energy use. Firstly, switch off all electronic devices completely rather than leaving them on standby, as standby mode still consumes (20) \_\_\_\_\_ electricity. Moreover, consider (21) \_\_\_\_\_ energy-efficient appliances, as older models usually use more power. Additionally, use natural lighting whenever possible to reduce your dependence on artificial sources. Open curtains or blinds during the daytime to (22) \_\_\_\_\_ the maximum amount of sunlight. (23) \_\_\_\_\_ turning on the heating immediately when you feel cold, wear warmer clothing or use blankets first to maintain comfort. Regularly servicing your heating system can greatly reduce the (24) \_\_\_\_\_ of energy you consume. Lastly, install programmable thermostats and timers to control lighting and heating, ensuring you only use necessary (25) \_\_\_\_\_.

#### EASY WAYS TO LIVE A GREENER LIFE

Make Small Changes

You don't need to make huge changes overnight. Start with small (16) \_\_\_\_\_ like turning off unused lights or carrying a reusable shopping bag.

### Save Energy

Cutting down on electricity use is great for the environment and your bills. Choose energy-efficient appliances and (17) \_\_\_\_\_ electronics when not in use.

### Use Less Plastic

Reducing plastic waste is key to protecting nature. Bring your own water bottles and (18) \_\_\_\_\_ instead of using single-use ones.

### Eat Smart

Eating locally grown food supports farmers and cuts down on transport pollution. Choosing more plant-based meals can also lower the (19) \_\_\_\_\_ of carbon you produce.

### Get Involved

Being eco-friendly is easier when everyone joins in. Talk to friends and family about green habits and join (20) \_\_\_\_\_ groups in your area.

### Final Thought

(21) \_\_\_\_\_ using reusable items, recycling and supporting green businesses are all stages toward a healthier planet. Every action matters!

**LINGHAM X3: WORTH A LOOK**

The Lingham X3 is this month's release in its budget range of laptops, which should be (29) \_\_\_\_\_ into account when you have the intention of buying one. For (30) \_\_\_\_\_ such as word processing and giving presentations, it's ideal and the amazing \$250 price makes this 38-cm-screen laptop an (31) \_\_\_\_\_ offer. Not surprisingly, there's very little useful software (32) \_\_\_\_\_. The p4000 processor is the slowest in this month's tests, and, at 2.7 kg, this is one of the heaviest machines. Lingham has, however, included a generous 64 GB memory, and battery life, at ten hours, is surprisingly good.

You should consider (33) \_\_\_\_\_ Lingham X3 as it is a solid choice for those who need a basic, affordable laptop. You will satisfied (34) \_\_\_\_\_ your decision. Grab yours now while stocks last!

**WHAT TO DO IN A CRISIS**

Whenever you face a stressful situation, your brain sends alarming (35) \_\_\_\_\_ to your body and causes your heart to beat faster and your muscles to (36) \_\_\_\_\_ in preparation for immediate action. However, this reaction can often prevent us from thinking clearly about the best thing to do.

A good skill you can develop is the ability to react calmly in a crisis. (37) \_\_\_\_\_ being aware of your body's stress response and training yourself to ignore that initial (38) \_\_\_\_\_ of emotions, you can make decisions based on clear-headed analysis.

- Remember to breathe: This is easy to forget when you are alarmed or enraged. And breathe deeply! A calmer body helps (39) \_\_\_\_\_ a calmer mind.

- Focus on the moment: Don't think about what should have been done differently. Concentrate on solving the immediate problem.
- Think positively: Positive self-talk and (40) \_\_\_\_\_ thinking techniques in a crisis are often helpful. For example, telling yourself how brave you are can help you overcome your fear.

### PROMOTE MENTAL WELL-BEING AT HOME!

#### *Nurturing Your Mind and Spirit*

Taking care of our mental health is just as important as our physical health, which helps us cope with stress, build resilience, and lead fulfilling lives.

#### **Facts and Figures**

- Nature's Impact: Studies show that spending time outdoors can significantly reduce stress levels. However, (14) \_\_\_\_\_ people feel they lack access to green spaces.
- Screen Time Concerns: Excessive daily (15) \_\_\_\_\_ time is linked to increased anxiety and depression. (16) \_\_\_\_\_ spending too much time on the phones, why don't we go outside and get some fresh air?

#### **Positive Actions You Can Take**

- ✧ Designate a cozy corner in your home for reading, meditation, or simply unwinding. Make it a daily habit with soft lighting, plants, and comfortable seating.
- ✧ Start a gratitude journal! (17) \_\_\_\_\_ three things you're thankful for each day to cultivate a positive mindset.
- ✧ Make time for meaningful (18) \_\_\_\_\_ with family and friends. Connecting with (19) \_\_\_\_\_ regularly helps strengthen your support network and combats feelings of isolation.

**London's Tropical Carnival**

**1. Dates & Location**

This annual three-day festival takes place on the last weekend of August and celebrates Caribbean cultural diversity (30) \_\_\_\_\_ the UK. Our lively traditional carnival happens on the streets of the Notting Hill area, in West London.

**2. Activities**

There are so (31) \_\_\_\_\_ cultural activities to do at the festival! Watch the parade, for example, or even (32) \_\_\_\_\_ part in it! Watch eye-catching dance performances and listen to interesting music at the UK's biggest steelpan band competition!

**3. Food & Drink**

The delicious aroma of Caribbean (33) \_\_\_\_\_ is in the air here. Try traditional foods like spicy jerk chicken, goat curry and corn on the cob. Savour these dishes with some (34) \_\_\_\_\_ on the side while you're enjoying the (35) \_\_\_\_\_, or pair them with traditional British foods.
