Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 29 to 33.

"The Voice of Vietnam" is a popular music competition show in the country. It features talented singers from across Vietnam who showcase their vocal abilities. The show has multiple rounds where the contestants perform different songs. The unique aspect of "The Voice of Vietnam" is that the four **celebrity** coaches, who are established singers, listen to the performances with their backs turned. If a coach likes a contestant's voice, they press a button to turn around and try to get that singer on their team. This creates an exciting dynamic as the coaches compete to mentor the best vocal talents.

Additionally, the audience need to vote for **their** favorite performers, further contributing to the interactive and engaging nature of the program. The focus on the singers' voices rather than their appearances sets this show apart. Many contestants who have participated in "The Voice of Vietnam" have gone on to achieve fame and success in the music industry. The show also features special episodes where the singers collaborate with their coaches on duets, providing unique and memorable performances. Therefore, "The Voice of Vietnam" has become an integral part of the country's television and music culture. Families and friends often gather to watch the show, captivated by the amazing vocal talents on display and the excitement of the competition. The program brings joy and entertainment to viewers across Vietnam.

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions from 34 to 40.

The trumpet is a famous and adaptable musical instrument used in many types of music like classical, jazz, and pop. Made from brass, it creates a bright and loud sound when you blow air into it. To make different notes, you use your lips and fingers, and there are three valves on the trumpet that help change the pitch. By pressing these valves in different ways, you can make lots of different sounds. The trumpet looks shiny and metallic because of the way it's built. It has a long, curved tube that ends in a wide bell, which helps send the sound far away. In an orchestra, the trumpet often plays the main melody or tune, making the music powerful and exciting.

Trumpets are also **popular** in jazz bands, where they can play fast and high notes. Jazz musicians often make up their music as they play, which is called improvisation. Learning to play the trumpet well takes practice, as you need to **strengthen** your lips and develop good breath control. It's also important to learn how to read music and understand rhythm. Many famous musicians, like Louis Armstrong and Miles Davis, have played the trumpet and inspired many people around the world with **their** music. The trumpet has a special place in the history of music.
