### Part 11: Reading 1

A corner shop or a convenience shop is a British tradition. It is a small .....(1) shop. We can find a corner shop at the end of a local street in many neighbourhoods in towns and cities across the UK. The corner shop sells all kinds of household goods and simple food and drinks like snacks, groceries, coffee, soft drinks. It..... (2) sells newspapers, magazines, and cigarettes.

Convenience stores are originally from America. They are like the British corner shops. The only..... (3) is that convenience stores are often open 24 hours. Probably the most well-known convenience store is 7-Eleven. You can find a convenience store at any residential .....(4), a filling station, a railway station, or alongside a busy road.

**Question 1:** A. retail              B. mass              C. wholesale              D. convenient

**Question 2:** A. generally      B. finally              C. aslo                      D. too

**Question 3:** A. good                      B. difference      C. benefit                      D. thing

**Question 4:** A. land                      B. houses              C. community              D. area

### Part 12: Reading 2

You can find a thrift store, or thrift shop, or charity shop throughout cities in many countries. These shops mainly sell used goods, such as clothing, books, music albums, shoes, DVDs, toys, and furniture. Most of the goods are donations from the public, so they are very cheap. Shopping at thrift stores is traditionally an economical way to buy clothes and basic necessities for low-income families and individuals. Today thrift store shopping has become a fun and exciting way for many people to find rare and expensive goods at a low price.

The purpose of thrift stores is to raise money for charities. The money you spend at a thrift shop usually benefits a church, school, or community group. They help support charitable purposes like helping homeless people, supporting a cancer association, or job training and placement programs for people with disabilities and the disadvantaged. Shopping at thrift shops is a great way to save money while supporting a good cause.

**Question 1:** What do charity shops sell?

A. clothing                      B. toys                      C. furniture                      D. all are correct

**Question 2:** Who is shopping at thrift shop basic necessities for?

A. rich people              B. good people              C. low-income families              D. high-income families

**Question 3:** What is the purpose of thrift stores?

A. raise money for charities                      B. find rare and expensive goods

C. sell goods at high price                      D. sell goods at low price

**Question 4:** Who benefits from the money that thrift stores make?

A. Homeless people

B. people with disabilities

C. the disadvantaged

D. all are correct

### Part 13: Rewrite the sentences

Question 1: She goes to the market at 6.30 everyday (*Use adverbs of frequency*)

-> She.....

Question 2: Mr. Pike goes to the cinema once a year (*Use adverbs of frequency*)

-→ Mr. Pike.....

**Part 14: Write a paragraph**

Write a paragraph (80-100 words) about the advantages or disadvantages of a type of shopping

**-----SPEAKING-----**

**TOPIC 1: Shopping**

The advantages or disadvantages of a type of shopping

**Part 1: Introduction and interview**

1. Do you like shopping?

-> Mr. Pike.....

Mr. Pike rarely goes to the cinema

## Part 14: Write a paragraph

Write a paragraph (80-100 words) about the advantages or disadvantages of a type of shopping

### -----TAPESCRIPT-----

#### Listen 1:

**Husband:** Whoa, honey. Come look at this!

**Wife:** What? Oh, no. You're not shopping again!

**Husband:** But look what I found on this Web site! This is exactly the same jacket I saw at the mall! And it's fifteen dollars cheaper online!

**Wife:** Do they have your size?

**Husband:** Let's see, "Click here for sizes" ... Yes, they have it in medium.

**Wife:** I like that blue one. Why don't you get that one?

**Husband:** OK... Oh. They only have dark green. Well, at the price, it's OK, I guess. So, I'll just put in my address... and credit card number... Wait. That doesn't look right. Why is it so expensive?

**Wife:** It costs twenty dollars for them to send it to you. I guess you should have bought it at the mall.

#### Listen 2:

1

**A:** Can I exchange this shirt, please?

**B:** What's the problem?

**A:** I asked for a size 44, but this is a size 34.

**B:** Let me see if I can find one in the right size. Just a moment. I'm sorry, madam. We are completely out of your size. Could you come back next week? We'll have some more in then.

**A:** Um, okay.

2

**A:** I'd like to exchange these shoes, please.

**B:** Oh, are they the wrong size?

**A:** No, I just bought them, and I noticed that the heels are coming off. Look...

**B:** I see what you mean. Do you have your receipt?

**A:** Let me see. Oh, it looks like I forgot it. Does it matter?

**B:** Yes. Could you bring us your receipt?

3

**A:** Excuse me, I bought this briefcase here a few months ago. Look. Here's my receipt.

**B:** Yes?

**A:** The problem is, I can't get the lock to work.

**B:** Strange. Let's have a look. You're right. No problem. It comes with a two-year guarantee, so we'll repair it for you. But could you leave the briefcase with us for a few days?

**A:** Sure. No problem.

4

**A:** Excuse me, I'd like to exchange this watch. I just bought it a few weeks ago, but look at this!

**B:** What seems to be the problem?

**A:** It's the band. It's already broken.

**B:** Oh. That's not good. Let me see if I can get you another one. I'm sorry. We are completely sold out of that style. I can order one for you. Or do you want to exchange it for a different watch?

**A:** Well, I really like this style.

**B:** Tell you what. Call me here tomorrow. By then, I'll know when I can get you a new one.

**A:** Okay. Thanks. I'll call you tomorrow.
