Question 37. ____ Question 38. ____ Question 39. ____ Question 40. ____

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

People are likely to do the shopping in a shopping mall because of its advantages. Firstly, a shopping mall is always situated in a convenient location with a spacious parking lot. Secondly, there are a variety of stores under one roof in a shopping mall, so customers can buy almost everything they need without moving to another place. Moreover, there is a helpful and knowledgeable sales staff in the shopping mall. If you haven't decided which product you should buy among similar ones, one of the salesmen will be **willing** to give you more information about each of **them**. Therefore, you can make an informed decision. Entertainment is another good point when going to a shopping mall. When parents take their children to a shopping mall, they can not only do the shopping, but their children can also play their favorite games there. It is also an interesting place for the young to hang out with their friends. They can see a film, drink coffee or enjoy dinner with their friends in a shopping mall.

Question 41. What is the passage mainly about?

- A. The good points of a shopping mall.
- B. Entertainment in a shopping mall attracts families and the young.
- C. A shopping mall is an inconvenient place.
- D. Customers can buy almost everything they need in a shopping mall.

Question 42. Why is it unnecessary for customers to move from this place to one another to buy different things?

- A. Because the sales staff is helpful and knowledgeable.
- B. Because there are a variety of stores under one roof.
- C. Because it's situated in a convenient location.
- D. Because it's a good place for entertainment.
