**Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.**

Being fluent in more than one language has numerous advantages that extend beyond communication. Multilingualism offers cognitive, social, and professional benefits, making it a valuable skill in todays interconnected world.

One of the cognitive benefits of multilingualism is improved memory and attention. Learning and switching between different languages exercises the brain, enhancing its ability to remember and process information. Multilingual individuals often display better problem-solving skills and increased mental flexibility. In terms of social benefits, being multilingual allows for better cross-cultural understanding and empathy. Language is closely tied to culture, and by speaking multiple languages, individuals gain insights into different cultural perspectives. This promotes tolerance, open-mindedness, and the ability to connect with people from diverse backgrounds. Professionally, being multilingual opens up a world of opportunities. In an increasingly globalized job market, employers value-Individuals who can communicate effectively with international partners and clients. Multilingual employees are often sought after in industries such as tourism, diplomacy, and international business. Moreover, learning multiple languages can boost academic performance. Research has shown that multilingual students tend to have better problem-solving skills, enhanced creativity, and improved overall academic achievement.

While learning multiple languages require dedication and effort, the benefits are well worth it. It not only broadens one's horizons but also contributes to personal growth and understanding of die world.

**Question 31.** Which could be the best title for the passage?
