English is one of the most popular languages in the world. It comes second in the number of speakers after Chinese. In Vietnam, more and more people are studying English and they consider it a key to success. However, not everyone knows how to learn English effectively.

The best way to improve the four skills: speaking, listening, reading, and writing is to practice regularly. You should make use of every opportunity to speak English with friends in class or at English speaking clubs or ourselves in front of the mirror. Learning by heart all the words does not help much if you do not read a lot because you will easily forget what you have learnt. Reading books, listening to radio and watching films are better ways to **memorize** words. Besides. English learners should not be so shy because making mistakes is unavoidable in learning foreign languages. Practising speaking a lot is a good way to correct your mistakes.

	Part 2: Sample <i>Tourism can have some negative effects on the quality of life of the host community. First, too many tourists can cause lifestyle changes of the local residents. For example, alternation in local travel patterns to avoid tourist congestion and the avoidance of downtown shopping can damage a community socially and culturally. Second, there is the problem related to culture and custom changes. As local ethnic cultures alert to fit the needs of tourism, traditional and cultural practices many change. Third, hotels, restaurants and shops can push tourism development</i>	1,5 pt
