Passage B

Candidates for the prizes must be nominated in writing a qualified authority in the filed of competition. Recipients in physics, chemistry, and economics are selected by the Royal Swedish Academy of Sciences; and physiology or medicine by the Caroline Institute; in literature by the Swedish Academy; and in peace by the Norwegian Nobel Committee appointed by Norway's parliament. The prizes are usually in Stockholm on December 10, with the King of Sweden officiating, an **appropriate** tribute Alfred Nobel on the anniversary of his death.
