Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

Vietnam is likely to continue facing extreme weather conditions such as higher temperatures, lower summer rainfalls, stronger storms, and rising sea levels from now to 2050, experts said at a conference on high resolution weather forecast in Ha Noi, August 22. Accordingly, temperatures in northern Vietnam will rise by between 0.83 degrees Celsius by 2050 and continue its **uptrend** during the late 21st century. Summer rainfall will decline in most areas. Meanwhile, storms may become rarer but fiercer, causing possible flash floods and landslides in flood-prone areas of northern mountainous, central and central highland provinces. The high resolution forecasts suggest sea level rises of 100mm - 400mm along the entire Vietnamese coast by the end of the 21st century, affecting marine biology and coastal communities. Deputy Minister of Natural Resources and Environment Tran Hong Ha reiterated the unpredictability of climate change and its potential impacts to create a variety of **hazardous** extreme weather events in the future.

**Question 31.** By 2050, Viet Nam continues facing all of these extreme weather conditions EXCEPT

- A. higher temperatures
- B. storms reaching record levels
- C. lower summer rainfalls
- D. rising sea levels

**Question 32.** Sea level rises along the entire Vietnamese coast by the end of the 21st century will

- A. make temperatures in northern Vietnam rise until 2050
- B. make storms become rarer but fiercer in the near future
- C. have impacts on marine biodiversity and coastal communities

D. cause certain flash floods and landslides in flood-prone areas

**Question 33.** To experts, they \_\_\_\_\_ to predict exactly the model of the climate change and its potential impacts.

- A. are unable                      B. are likely                      C. are certain                      D. are surprised

**Question 34.** What could be the best title of the passage?

- A. Extreme Weather Conditions in Viet Nam  
B. Natural Disasters in Viet Nam  
C. Weather Patterns in Viet Nam  
D. Potential Impacts of Climate Change

**Question 35.** The word “**uptrend**” is OPPOSITE in the meaning with \_\_\_\_\_.

- A. Increase                      B. decline                      C. raise                      D. growth

**Question 36.** The word “**hazardous**” in the last paragraph can be understood as

- A. favourable                      B. dangerous                      C. suitable                      D. beneficial

*Four phrases/sentences have been removed from the text below. For each question, mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks from 37 to 40.*

Education is another area of social life in which information technology is (37) \_\_\_\_\_. Today’s college students may not simply sit in a lecture or a library to learn about their field.

For children over the age of 10, daily attendance at schools is not compulsory. Yet, some of the older children attend school only once or twice weekly to get tutorial support or instruction from a teacher.

(38) \_\_\_\_\_. Students must complete a minimum number of study hours per year; however, they may make up these hours by studying at home at time that suit their family schedule. They can log on early or late in the day and even join live classes in other countries. In order to ensure that each student is learning adequately, computer software will automatically monitor the number of hours a week each student studies online as well as that students’ learning materials and assessment activities.

Reports will be (39) \_\_\_\_\_. The software can then identify the best learning activities and condition for each individual student and generate similar activities. (40) \_\_\_\_\_

A. available for parents and teachers

B. changing the way we communicate

C. It can also identify areas of weak achievement and produce special programs adjusted to the students’ needs.

D. For the most parts, pupils are encouraged to work online from home
